OLD TESTAMENT HISTORY III

Rev Dr Quek Suan Yew

OT History is also a study of Israel—God's chosen nation. How does a tiny country like Israel become such a great nation as she is today? If you want to know how and why, then you cannot but take this course which will be taught in three parts: (1) Genesis to Joshua, (2) Judges to Second Samuel, and (3) First Kings to Esther. (2 credits)

LAMENTATIONS

Rev Dr Prabhudas Koshy

The Book of Lamentations by the Prophet Jeremiah contains valuable spiritual lessons concerning God's sovereignty and judgement as well as His compassion and faithfulness. It warns against the destructiveness of sin and our need for humility and repentance before God, and teaches us how to deal with sufferings in life. (2 credits)

NEW TESTAMENT INTRODUCTION

Rev Dr Jeffrey Khoo

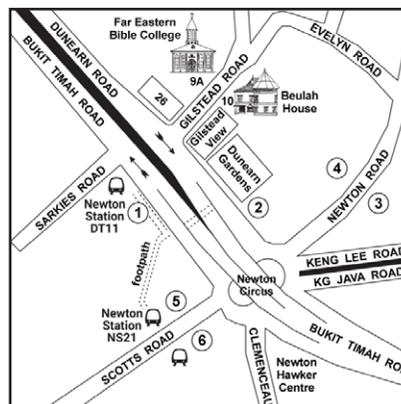

This course introduces the student into the world of NT literature and background. Besides studying into the origins of the NT and the history and culture of NT times, the student will also get a panoramic view of all the books of the NT and will see that the arrangement of the NT books has a divine pattern and purpose.
